ONE CITYWIDE HOTEL CONTRACT

Making the
Planning Process
as Easy as Possible
is Our Top Priority

We do this by simplifying the contract phase. Instead of having planners negotiate terms of services with our local hotels individually, we provide you with one condensed hotel contract that outlines everything each lodging option offers for meetings, including room rates and meeting space capacity. This way, you can get the best deals on multiple types of hotels and services—giving you the opportunity to really takeover the city with your event.

Complimentary Transportation for Citywide Events

Creatively called the “Coyote and Road Runner” routes, these convenience services cut down on your attendee parking fees and save on your budget.
